Introducing Profmed

Profmed is the largest restricted medical scheme in South Africa uniquely designed for graduate professionals. Although registered in 1969, we have provided benefits since 1959, making us one of the longest established medical schemes in South Africa. Profmed serves over 33 800 discerning members, providing 70 500 lives with exceptional medical benefits.

Profmed offers:

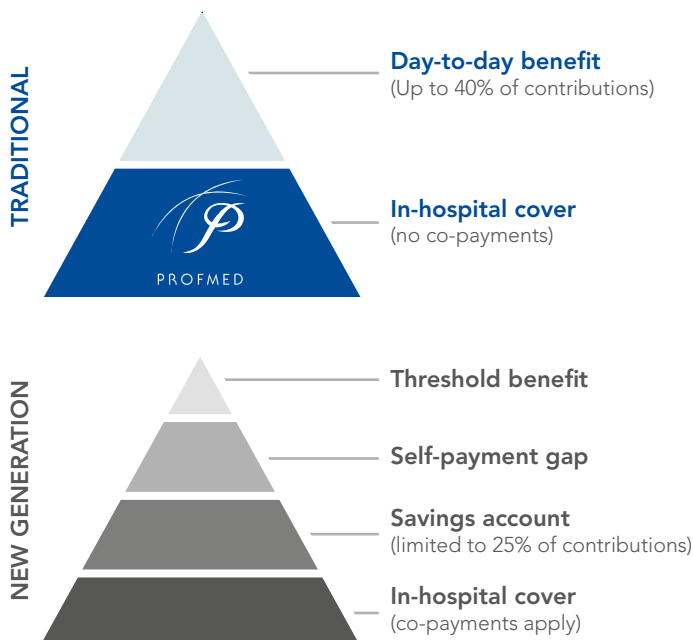

Membership is exclusively for university or technical university post-graduate professionals, who meet at least one of these eligibility criteria:

- A degree and/or qualification of four years or more
- Two three-year degrees
- A three-year degree with a post-graduate qualification of not less than one year

BENEFITS POSITIONING

Traditional vs new-generation medical scheme

A traditional medical scheme is uncomplicated, offering more certainty on the benefits, as the limits are clearly defined. This clarity provides greater peace of mind and understanding of the benefits.
