INTRODUCING PROFMED

Profmed is the largest restricted medical scheme in South Africa exclusively designed for professionals, offering you the best benefits at low rates.

WHAT IS PROSELECT SAVVY?

ProSelect Savvy is a hospital network option that requires you to make use of our wide range of selected hospitals for hospitalisation. The hospitals on the network list have been carefully selected to ensure we provide members access to the most efficient hospitals, with the best clinical outcomes.

ENJOY THE PROSELECT SAVVY BENEFITS:

- Unlimited hospitalisation
- A large selection of network hospitals for you to choose from on the network options
- Day-to-day dentistry benefits, paid from risk
- Benefit for contraceptives, and other preventative care benefits, paid from risk
- Sabbatical benefit, with no underwriting on return to South Africa
- Hospitalisation for injuries resulting from leisure and adventure sport
- Gender Based Violence Support Programme
- 24/7 access to the Trauma, and HIV assistance programme
- International Travel Medical Assistance up to 150 days
- Emergency ambulance services
- Access to ER locator and your electronic membership card via the Profmed App
- Profmed WellBeing, a benefit that supports you on your mental health journey
- And more...

PREVENTATIVE CARE FOR EARLY DETECTION OF HIGH-RISK DISEASES

What is covered?

- As part of our commitment to your wellbeing, this benefit encourages the early detection of the most frequently diagnosed high-risk diseases
- Yearly Pap smear for ladies 18 years and older
- Yearly Influenza vaccine
- Contraceptive benefit to a maximum of R1 962 per beneficiary per year
- HPV Vaccine Females 9 – 27 Years
- Child immunizations for Children 0 – 12 years as per the Department of Health Immunization Schedule
- And more.

DAY-TO-DAY DENTISTRY

It is generally accepted in the medical scheme industry that dentistry is considered to be an out-of-hospital benefit and is not covered in-hospital on hospital-only options. Profmed is, therefore, unique in that dentistry in hospital is covered on the Profmed's hospital option, ProSelect Savvy.
